No matter how you slice it, the old-fashioned goodness of County Line cheeses is unmistakable. We slice up our natural cheese chunks for your customers' convenience, and package them in the most popular sizes. Easy to hang, with delicious recipes for attractive merchandising.

**8 oz. Erlach Swiss** (Item #142, UPC 15700-77448) County Line Swiss tells the hole story. It's simple: the smaller the hole, the milder the flavor. Erlach, MILDEST OF OUR MILDS, is County Line's famous small-eye Swiss. Smooth texture and a delightfully creamy, nut-like flavor.

**8 oz. Old World Swiss** (Item #143, UPC 15700-77449) NEXT IN MILDNESS, County Line's original Swiss recipe with its own buttery flavor. The #1 selling Swiss in many markets.

**8 oz. Aged Swiss** (Item #144, UPC 15700-77450) SHARPER AND TANGIER, as its large eyes tell you. Longer aging gives this County Line Swiss its hearty taste.
