PAULY HELPS NATURE MAKE THE FINEST WHIPPED TOPPINGS.

Pauly Everfresh® Real Whipped Cream Topping

- Made from fresh milk and sweet cream.
- Ultra-pasteurization and ultra-cold 40° processing.
 - Retards bacteria, assures freshness.
 - Delicate flavor without annoying aftertaste.
- High-speed packaging locks in full flavor and freshness.
- Performance-matched pressurization.
 - Delivers full container contents.
 - Maintains full whipped body for 5 - 10 minutes after serving.
- Guaranteed 5-month shelf life at 38 - 42° F.
 - Each can individually date coded for usable freshness at least 4 weeks from imprinted date.

Pauly Everfresh® Non-Dairy Whipped Topping

- Combines the flavor of real whipped cream with the economy and convenience of a non-dairy product.
- Indefinite shelf life when kept frozen.
 - After thawing, guaranteed shelf life of 5 months at 45° F or less.
