**ARROWHEAD®**

# Refer a friend for bottled water service and get your choice of **Corning® products free\*** or two bottles of Arrowhead Water.

We'd like your help in telling your friends about 100% natural Arrowhead Mountain Spring Water. Or our delicious Drinking Water, a purified water with select minerals added. Or Distilled Water, for special dietary food use and other uses requiring mineral-free water.

Of those people special to you, certainly some-one would enjoy the good taste of Arrowhead Water as much as you and your family have. You know how Arrowhead Water makes better tasting coffee, tea, soups and juices. And how your house plants thrive when treated with Arrowhead Water.

You can receive a gift every time you introduce a friend to Arrowhead Water. Choose from these famous Corning® products.

1. Visions® 1-qt. covered saucepan with pour

0102865, 3/87

spout avoids spills when pouring hot liquids.

2. CorningWare® French White® cookware set with a 1½-qt. oval open casserole and a 1½-qt. round covered casserole. Famous freezer-to-oven-to-table versatility.

3. Visions® 3-pc. cookware set. 9" skillet and 1-pt. covered mini-saucepan of Pyroceram® are stovetop, oven, microwave and dishwasher safe.

4. Thermique® 1-qt. thermal server keeps beverages hot or cold for hours.

Just list your friend's name along with yours on the attached coupon, indicating your gift preference. Then give the coupon to your Arrowhead Water salesperson or drop it in the mail. As soon as your friend begins service, your salesperson will bring your gift on his next delivery.

\*While supplies last.

## Receive a gift every time you introduce a friend to Arrowhead Water. There's no limit!

Use one card for each referral.

For my gift I would prefer:

- Visions® covered saucepan
- Set of oval and round casseroles
- Visions® 3-pc. cookware set
- Thermique® 1-qt. thermal server
- Two bottles of Arrowhead Water
