

ONLY ONE TOMATO SAUCE MAKES AMERICA'S BEST SPAGHETTI SAUCE.*

How can we say that?

We didn't.

People all across America did. They recently compared spaghetti sauce made with new thicker, richer Hunt's® Tomato Sauce to spaghetti sauce made with other leading national brands of tomato sauce. And Hunt's was their runaway favorite.

Fact is, new

thicker, richer Hunt's tastes so much better, it actually makes the difference you can taste—even when it's in a spaghetti sauce. Taste tests with leading national brands proved it. But don't believe them. Prove to yourself that if you're not using new Hunt's Tomato Sauce, you're not making the best spaghetti sauce.
