

PLAYTEX PUTS A HOLE IN THE THEORY THAT CHEAPER IS BETTER.

ORDINARY LATEX GLOVES

PLAYTEX LIVING GLOVES

Playtex Gloves may cost a little more initially. But not necessarily in the long run. Because Playtex Gloves last longer than ordinary latex gloves for your toughest household jobs with solvents, like paint stripping. That's because Playtex Gloves are blended with neoprene to help prevent holes, cracking and splitting. Neoprene is the same tough material used in industrial gloves.

Try the comfortable taper fit, soft absorbent lining and powerful protection of Playtex Gloves. You'll love your hands for it.
