TORONTO -- Consumer Information – Beatrice Chocolate Milk Information regarding Recall

-Even though there is no health risk, Parmalat is voluntarily recalling its Beatrice brand Chocolate Milk 1% (200mL, 473mL and 1L) with a best before date of March 17 because this product may not taste the way it usually does.

-Our plant immediately implemented corrective measures and the Canadian Food Inspection Agency has verified them. All tests on production from other days are normal; therefore, this was an isolated incident that does not affect any products other than this specific lot.

-People who have consumed the product should not worry as there is no risk to their health.

-This only affects the Province of Quebec and Ottawa.

-Should you have any questions or comments, please contact us at 1-800-563-1515. www.beatrice.ca
