## **Beatrice Launches New, Updated Retirement & Benefits Information Manual**

PHOENIX -- November saw the launch of our newest Beatrice Retirement & Benefits Information manual that is specifically for retirees of the various Beatrice entities. This manual was originally published first quarter of 2014, but has seen several updates since then.

Originally, the only method to get the retirement contact information was through the Beatrice web site, but it became clear that a consolidated manual for easy use and printing was required. Beatrice attains to keep this manual as current as possible, and we sometimes do rely on those that use the manual to help let us know if there is any inaccurate information that needs to be updated.
